sight o'clock yesterday morning. The train was heavily loaded with Grand Army veterane and their friends bound for the Milwankes encampment, and consisted of soveral extra coaches.

By the spreading of the rails three coaches, two Pullman sleepers and the dining dar were thrown from the track and down a steep smbankment, a distance of probably ferry feet. Word was immediately telegraphed to this city for medical assistance, and a special train was sent at once with a dozen surgeous on board. The wrecker was also sent out to clear up the track.

Those most variously injured were brought to this city and taken to St. Mary's Hospits, where their wounds were properly attended to. In all there were probably fifty persons hurt, and though none were killed outright, the following are in a very dangerous condition: Mrs. S. S. Dickerman, of Lawrence, Kan., chest and head badly cut; little som hurt about back and face; William IL Fish, Topeka, seriously, head injured; Mrs. Eiward Andsley, lives near Carrollton, Mo., arm, head and face mashed and out; George Peters, Emporia, burt about the most valuable mandality and destroyed the most valuable mandality an porta, Kan., head and face mashed and cut; George Peters, Emporta, burt about the chest and face, also internally injured; Mrs. B. S. Johnson, Norfolk, Conn., badly hurt internally and head and face cut.

Three of the injured are reported to have since died, one of the three being Mrs. George Peters, of Emporta. Exact information is hard to obtain, the ratiroad authorities being axiramely ancommunical.

authorities being extremely uncommuni-United States army, has decided that there is nothing in the laws to prevent a young man who had been dismissed from the Naval Academy for hasing from becoming a West Point cadet.

An Old Pamily Trouble.

DANVILLE, O., Aug. 27.—C. C. Lybarger,
oximaster at Milwood, Knox County, yesterday shot at his daughter Daisy but missed her, but the ball struck his wife, fatally wounding her. Lyberger then blew his own brains out. The cause of the shooting was an old family trouble.

-The Princess Louise is the plainest of he three daughters of the Prince of Wales, and that is saying a good deal. She is dull and heavy looking, with loose, thick lips, and usually goes about with her mouth open in a vacant sort of way. I saw her lately at the grand opera in Paris with her two sisters and her mother. All four ladies were dressed in white, the three girls in simple but tasteful toilet of white satis is missed in lace and positively the charming mother tooked scarcely older than her daughters, and infinitely prettier. The Princess Mand, the youngest of the three girls, has a bright, animated countenance, and is much more attractive than her sisters. She is the favorite sister of her younger brother, Prince George, whom she much white surah and the Princess of Wales in white satin trimmed in lace and positively brother, Prince George, whom she much resombles in character and disposition. She is a spirated girl, with a will of her own, and when the time comes for bestow-ing her hand in marriage she will have remething to say, undestedly, concerning her choice of a bridegroom. In the days before the princesses had been introduced into society she was the only one of the three who used to fight vigorously, though vainty, against the peculiary hideous garments, the cotion gowns and bear-akin capes, which the Princess of Wales used to inflict upon her daughters. The second daughter, the Princess Victoria, is ninn and stuppid-looking, like her rin, is plain and stupid-looking, like her eider sister. London Letter.
